

COUNSELOR NOTES

Fannindel High School
Fall, 2009

Welcome from Mr. Graves

Welcome to the 2010 school year. There are several new faces with us this year. **It's going to be a great year!** I will be here two days a week – usually Monday and Tuesday. Sometimes workshops and testing change my normal schedule. I will have a schedule posted outside my office. In this issue I am including information about ACT and SAT testing, and the TAKS retest in October (This is being written before the July retests so **hopefully NO one** will need those dates). If you are interested in going to college you will need to take the ACT or SAT before they will seriously talk with you. Later on you will be receiving scholarship information and applications.

TAKS Retest Dates:

Tuesday – **Oct 20** – English Language Arts
Wednesday – **Oct 21** – Mathematics
Thursday – **Oct 22** – Science
Friday – **Oct 23** – Social Studies

Selective Service

On the back of this sheet you will find information about registering with Selective Service. The law says that all 18 year old men (including US citizens living abroad and non-citizen immigrant males 18-25 residing in the US) must register.
